

Impackful K9 — Brand Brief

Brand Snapshot

****Name:**** Impackful K9

****Category:**** Lifestyle-based dog training, Lower Mainland BC

****Promise:**** Calmness, connection, and real-world reliability — helping dogs and owners navigate everyday life together.

****Programs:**** Structured training, pack walks, café socials, public exposure work, hikes, community experiences.

****Audience:**** Modern, mindful dog owners who value craft, outdoor lifestyle, and intentional living. Urban-adventurer demographic across the Lower Mainland.

Creative Territory

West Coast lifestyle × Pacific Northwest nature × intentional urban exposure.

Grounded, calming, adventurous, modern. A brand that feels like a slow exhale on a foggy trail — **not** a corporate trainer.

****Inspiration:**** Stanley Park seawall, North Vancouver trails, misty coastal forests, mountain ridges, oceanfront paths, coffee culture, driftwood, moss, fog, stone, espresso, muted urban concrete.

Design Direction

- Clean and cinematic
- Spacious, editorial layouts
- Nature-forward imagery
- Mix of structured urban training and outdoor adventure
- Modern luxury outdoor lifestyle aesthetic
- Calm nervous system energy
- Scandinavian simplicity × West Coast outdoor culture
- ****Avoid:**** corporate, loud, neon, cartoonish, overly "dog trainer"-branded

Typography (locked)

- ****Headers:**** THE SEASONS BOLD — ALL CAPS, 80pt, white
- ****Subheaders:**** Montserrat Medium — 40pt, cream
- ****Body:**** Montserrat Regular — 25pt, cream

Color Palette — Exploration Brief

Generate multiple original concepts — elevated, outdoorsy, calming, premium, cinematic. Include a ****mix of lighter and darker**** moods. Pull from:

- Foggy forest greens, moss, fern, deep cedar

- Coastal blues, sea-glass, slate, driftwood gray
- Espresso, warm sand, oat, cream
- Muted urban concrete, stone, charcoal
- Overcast PNW tones (mist, dusk, golden hour through fog)

Visual Language Cues

Foggy forests · mountain trails · oceanfront pathways · Stanley Park seawall · North Vancouver forests · driftwood textures · earthy layering · dogs moving calmly beside owners · real lifestyle moments (not staged obedience).

Six Direction Targets (Phase 1)

Each direction = one 16:9 one-pager containing: logo system, color palette (named + HEX), typography spec, visual language samples, and 1–2 micro mockups.

1. ****Coastal Fog**** — Lightest. Sea-glass, mist white, soft slate. Oceanfront calm.
2. ****Mossy Cathedral**** — Deep forest greens, cedar bark, fern. Old-growth grandeur.
3. ****Driftwood & Stone**** — Warm neutrals. Bleached wood, sand, oat, cream. Scandinavian-coastal.
4. ****Espresso Trail**** — Coffee-culture meets trail. Espresso, warm leather, cream, charcoal.
5. ****Granite Ridge**** — Cinematic dark. Wet stone, deep slate, fog white, alpine blue.
6. ****Urban Exposure**** — Concrete, raw cedar, muted city tones. Bridges trail and street.

Output Spec

- 6 one-pagers, 16:9, generated in parallel
- Logo locked from reference (Ref_1 on canvas)
- Each one-pager must show palette HEX values, typography hierarchy, and at least one mockup scenario
